Many Thanks Mum and Daughters – Saving Our School Sign

Huge thankyou to one of our mums, Stephanie and her two daughters, Tayla and Savannah for being at the right place at the right time at the Balgownie Road traffic lights to save our school banner from being kicked into the drain after a "strange" man ripped it off our fence. Maybe that's what also happened to our other school banner? It is a sad world for some people when the smiling faces of our students on display promoting our great school cause them to vandalise and deface our school property.

Congratulations to Our G.A. Class Students at Scarborough Public School

This week Mrs Fenwick represented FMDS at the graduation of Elisabeth G, Jed V and Maximillian at Scarborough Public School after our very talented students had participated in the Academic G.A. Class every Monday for the past two terms. I am certain being part of this very special class will be a memory to keep for a long time. Well done Elisabeth, Jed and Maximillian.

Sick Bay Reminder

We have had an increase in the number of children coming to school feeling unwell and turning up quite distressed to sick bay before 9.30 am.

We would ask that parents ensure children have completely recovered from their ailments before returning to school. Sending a child back too soon can be very distressing for the child and may well cause a spread of the bug to other children in their class. Also, for those times when you think your child may be just suffering from Mondayitis, please do not encourage them to school by indicating if they are sick you will come and collect them. Unfortunately, 9 times out of 10 they will play on this to go home. Obviously, if your child is genuinely sick, their class teacher will send them to sick bay to be sent home.

Thank you for your cooperation on this issue
